

CANTEEN

A note from the canteen to get started for Term 2. The first thing we need is volunteers to help run the canteen.

The canteen is only open on Fridays at lunchtime, so the time you need to be available to help would be from 11am to approx 2pm. It is a fun job where you get to see lots of happy faces and your own children love to see you there. If you think you could help, even if it is just one day per term, it would be appreciated.

Monday is patty cake day, where two families per week send in patty cakes, muffins, biscuits or slice etc) and the senior students sell them at morning tea time for 50 cents each. If you are unable to help with canteen perhaps you could help out by going on the patty cake roster (Approximately 7 dozen patty cakes, muffins, slices or biscuit's need to be baked between two families, please remember NO NUTS).

These are two things the children love so please help if you can. The canteen menu is being revised and a new updated menu will be sent out in the coming weeks. We ask that lunch orders are written on a PAPER LUNCH BAG with the child's name, class and correct money placed inside. The children then place them in their classroom basket in the morning.

Also below is an expression of interest form for parents on the subject of whether you would like the canteen open at recess on Fridays, no hot food would be sold at this time but rather fruit, cakes, slices etc. It would mean canteen volunteers would have to be at the canteen by 10:30am. We have just opened an account with Thompson's and are able to purchase finger buns, lamingtons etc.

If you have any questions or suggestions please contact Dion Patterson on 0428 175 778 or Sally Darnell on 0419 488 504.

Please return the form below to school by Friday 28th March.

Thankyou,

Dion and Sally

Would you like to see the canteen open at recess on Fridays? YES or NO
